MUNICIPAL AND COUNTY ENGINEERING

INDEX

JULY—DECEMBER, 1918

VOLUME LV

ENGINEERING PUBLISHING COMPANY
INDIANAPOLIS, INDIANA CHICAGO, ILLINOIS

Capital Letter E refers to Editorials.

Activated Sludge Process vs. The Sprinkling Filter System and Auxiliaries, by T. Chalkley Hatton..... 67
Activated Sludge Process vs. Sprinkling Filter System and Auxiliaries...116
Air-Lift Pumping Plant at Galesburg, Ill., Performance of New, by John Oliphant 57
American Military Roads 10
Asphalt Pavements, Maintenance of, by Cut and Replace Method, by James W. Routh 164
Asphalt Pavements in Buffalo, Procedure in Maintenance of, by C. E. P. Babcock 148
Asphalt Pavements, the Construction and Maintenance of, Some Hints on, by C. A. Mullen..... 9
Asphalt Plant, Portable, Successful use of 79

Asphalt Roads of Cook County, Ill., by Walter H. Flood 124
Asphalt Streets, Using an All-Smokeless Outfit in Repairing 41
Artesian Wells for Water Supply, with Special Reference to the Artesian Wells of Wisconsin, by W. G. Kirchoffer 136

Baltimore Receives Bids for Garbage Disposal as Part of General Plan for Improved Collection and Disposal of Municipal Waste, by Walter E. Lee.. 34
Bids, Contractors', When Too High, E. 45
Bituminous Macadam and Bituminous Concrete Pavements, Relative Efficiency of Methods for Repairing, by Geo. H. Biles 150
Bituminous Road Material, Equipment for Heating and Distributing.....158
Blast Furnace Slag Section of the Youngstown-Akron (Ohio) Concrete Highway 172
Block Pavements, The Choice of Fillers for, by John S. Crandell.....127
Brick Paving Seven Streets, Mt. Vernon, Ohio, Construction Plant and Methods Employed in, by Arthur A. Graham 8
Bridges, Low-Water Highway, in Oklahoma, by J. W. Evans.....143
Bridges of Concrete and Steel, Permanent Highway, Recommended Practice in Design and Construction of, by John W. Towle.....144
Bridges, Highway, Steel, Cost of Painting in Iowa, by C. E. Smith..... 75
Bucket Machine with Attachments, Drag-Line and Clam-Shell.....118
Building Excavation, How Motor Trucks Saved $15,000 for Contractor on..... 76
Buffalo, N. Y., Water Waste of 9,000,000 Gals. Per Day Eliminated.....154
Business and Residential Electric Street Lighting, Good Practice in, by H. F. Bloomquist 81

California State Highways, Quantities and Cost of Cement Used in the, by A. B. Fletcher 13
Car Unloader, Continuous Operating...159
Cedar Rapids Gets Decision Which Enables City to Avert Probable Future Flood Calamity, by L. R. Howson.. 26
Cement Used in the California State Highways, Quantities and Cost of, by A. B. Fletcher 13
Chicago Water Pipe Extension Work, Machinery Plays Large Part in, by R. S. Spalding 179
Chicago Water Works, Sanitary Precautions Taken Prior to Opening Wilson Avenue Crib and Tunnel of, by John Dill Robertson 108
Chlorinator, Water-Borne Typhoid Outbreak Due to Neglect of.....141
Clam-Shell and Drag-Line Bucket Machine with Attachments 118
Clay Pipe, Vitrified, Use of for Irrigation Lines 73
Cleveland Considers Broad Reorganization of its Railroad and Interurban Facilities 221
Cleveland Sets Good Example to Other Cities in Preparing for Peace, E....161
Coal Consumed Between Units of Light and Water Plants, The Division of, by W. G. Kirchoffer 28
Cook County, Ill., Asphalt Roads, by Walter H. Flood 124
Collection and Disposal of Municipal Waste, Baltimore Receives Bids for Garbage Disposal as Part of General Plan for Improved, by Walter E. Lee.. 34
Collection and Disposal of Sewage at Pottstown, Pa., Design Details of Proposed Works for, by Charles E. Collins 61
Concreting the East St. Louis & Interurban Water Company's Reservoir.. 78
Concreting Pavement Base in Buffalo, N. Y., by Geo. F. Fisk.....170
Concrete and Steel, Permanent Highway Bridges, Recommended Practice in Design and Construction of, by John W. Towle 144
Concrete and Steel Bridges, Wyandotte County, Kans., by F. W. Epps..... 77
Concrete Highway, Blast Furnace Slag Section of the Youngstown-Akron (Ohio) 172
Concrete Road, How to Get the Best Surface on, by A. H. Hunter..... 47
Concrete, Road Finisher Increases Density of 101
Concrete Roads, Some Design and Construction Features of, by A. N. Johnson 96
Concrete, Pavement Reinforced on the Baltimore Pike 11
Concrete, Railroad Tie, New.....212
Construction Equipment, Influence of Engineers on Selection of, E.....122
Construction and Maintenance of Asphalt Pavements, Some Hints on, by C. A. Mullen 9
Construction and Maintenance of Kentucky Rock Asphalt Roads, Procedure in, by S. O. Le Sueur..... 49
Construction Methods Employed in Building the New Intake and Remodeled Reservoirs of the Oshkosh, Wisconsin, Water Works, by T. B. Jorgensen 101
Construction Plant and Methods Employed in Paving Seven Streets with Brick in Mt. Vernon, Ohio..... 8
Construction Program, Public Works, Mayor Davis, of Cleveland, Drafts $20,000,000 in Preparing for Peace...168
Construction of Water and Sewerage Systems for the Cities of Salto, Paysandu and Mercedes, Republic of Uruguay, South America, by G. E. Hines. 85
Consulting Engineer, Advantages Gained by the Contractor in Employing, by Ray S. Blinn 80
Continuous Operating Car Unloader...159
Conversion of Small Steam Operated Pumping Stations into Electricaly Operated, Automatically Controlled Stations, by John W. Toyne..... 64
Correct Interpretation of Pavement Behavior Under Constantly Increasing Traffic Requirements, Present Need of, by Maurice B. Greenough..... 92
Cost of Living, to Lower the, E.....162
Contractor Gains Advantages in Employing a Consulting Engineer, by Ray S. Blinn 80
County Roads and City Streets, Government Boards Should Differentiate Carefully Between, E..... 46
Cracks in Hard Surface Pavements, Prevention of, by Wm. C. Perkins..190
Creosoted Wood Block Pavements, Overcoming the Heaving of.....126
Cube Pavement, McClintock, as Developed in Monroe County, New York, by J. Y. McClintock..... 6
Culverts and Bridges, How a County Engineer Builds Small..... 37
Curb Line Excavator 119
Cut and Replace Method, The Maintenance of Asphalt Pavements by, by James W. Routh 164

Dangerous Curve on Sheridan Road, Protecting 100
Design and Construction of New Mechanical Water Filtration Plant at Oshkosh, Wis., by T. B. Jorgensen.. 20
Design and Construction of New Water Purification Plant and Pumping Station at Checotah, Okla., by V. V. Long 70
Design and Construction of the New Sewage Treatment Plant at Sedalia, Mo., by Robert E. McDonnell..... 71
Design and Construction of Water and Sewerage Works at the Hog Island Shipyard, by W. H. Blood, Jr..... 54
Design Details of Proposed Works for the Collection and Disposal of Sewage at Pottstown, Pa., by Charles E. Collins 61
Design and Construction of Permanent Highway Bridges of Concrete and Steel, Recommended Practice in, by John W. Towle 144
Design and Construction Features of the New Slow Sand Water Filtration Plant at Auburn, New York, by J. Walter Ackerman 139
Design and Construction, Pavement, Standardization of, by Prevost Hubbard 181
Device for Recording the Movements of Motor Trucks 155
Detroit Offsets Labor Shortage by Using Machinery for All Water Main Construction 104
Disposal and Collection of Sewage at Pottstown, Pa. Design Details of Proposed Works for, by Chas. E. Collins. 61
Division of Engineering Established by United States Employment Service.. 79
Drag-Line and Clam-Shell Bucket Machine with Attachments..... 118
Drag-Line Type, Trench Backfiller....155
Drag-Line Excavator, Removing Silt from Irrigation Reservoir with.....115
Drainage and Irrigation of Homesteads for Returned Soldiers, E..... 2
Drainage, Main, Relation of to River and Harbor Front Improvements....204
Drafting Room, an Erasing Machine for the 81
Dravo Whirler, Applications of.....156
Dual Connections, Plans and Specifications for 103
Dump Body, Side, For Motor Trucks and Trailers 116

Economics, A Problem in the Control of Stream Pollution, by Earle B. Phelps. 22
Electrically Operated, Automatically Controlled Stations, Conversion of Small Steam Operated Pumping Stations into, by John W. Toyne..... 64
Electric Street Lighting, Good Practice in Business and Residential, by H. F. Bloomquist 81
Engineers Engaged in Road Work, Aims of, by Rodman Wiley 200
Equipment for Heating and Distributing Bituminous Road Material.....158
Equipment, Duplicate Pumping, Importance of 16
Equipment Used in Ozone Method of Water Treatment, Recent Development in, by Irwin D. Groak.....109
Erasing Machine for the Drafting Room 81
Excavation, Building, How Motor Trucks Saved $15,000 on 76
Excavator, Curb Line 119
Expansion Coupling, New, for Connecting Water Meters into Straight Line Pipes 158
Explosives, Procedure in the Use of, on Road Maintenance Work, with Specific Examples, by W. H. Dawson.. 12
Explosives on Road Construction, Recommended Procedure in the Use of..187
Extreme, One Almost as Bad as the Other, E. 46

Federal Highway Commission, For a Supreme, E. 83
Fillers for Block Pavements, the Choice of, by John S. Crandell 127
Float Switch, An Enclosed, for Remote Control of Pumps 40
Flood Calamity, Cedar Rapids Gets Decision Which Enables City to Avert by L. R. Howson 26
Flood Lighting Projector, A New.....157
Flusher and Sprinkler for Jackson, Michigan, Combination Motor.....156
For a Supreme Federal Highway Commission, E. 83
Force Account Work on Illinois Roads, E 84
Force Account Paving in the City of St. Paul, Minn., Experiences in, by Oscar Claussen 52
Freight Rate Increase, Effect of Retroactive on Road Contracts, E..... 2
French Roads, Maintenance of 33
Fuel Oil Engines in Water Works Service, the Performance of, by S. N. Connally. 113

Garbage Disposal as Part of General Plan for Improved Collection and Disposal of Municipal Waste, Baltimore Receives Bids for, by Walter E. Lee. 34
Garbage, Refuse Collection and the Present Demand for, by Samuel A. Greeley 65
Garbage Utilization Work of the United States Food Administration, by F. C. Bammar 146
Gas Plant, Omaha Considering Municipal Ownership of 79
Good Roads Essential? E. 84
Government Boards Should Differentiate Carefully Between County Roads and City Streets, E. 46
Grade Crossing Signs Required on Illinois Highways 173
Gravel, Experience of Various Counties in Utilizing Local Deposits on Construction Projects 223
Gravel Loader, The Jarmin 119

Hard Surface Pavements, Prevention of Longitudinal Cracks in, by Wm. C. Perkins. 190
Heating and Distributing Bituminous Road Material, Equipment for.....158
Heaving of Creosoted Wood Block Pavements, Overcoming the 126
Highway Bridges in Iowa, Steel, Cost of Painting, by C. E. Smith..... 75
Highway Bridges in Oklahoma, Low-Water, by J. W. Evans.....143
Highway Danger Signals, Modern, by A. G. Shaver 42
Highway Development as Important as Railroad and Waterway Development, by Hon. William C. Redfield.....170
Highway Development and Land Reclamation Must Go Together, by Franklin K. Lane 183
Highway Industries Association, Work of and Necessity for Closer Co-operation Between Federal, State and County Road Authorities, by H. G. Shirley 94
Highways, National Military, by Geo. C. Warren 6
Highways Situation, Prospective Improvement of, E. 1
Highways, Snow Removal From.....185
Highway Transportation is Getting Recognition in High Places, E.....162
Highways, Trunk Line, Snow Removal on, by Chas. J. Bennett.....215

628.05 M92
v.55

Hog Island Shipyard, Design and Construction of Water and Sewerage Works at, by W. H. Blood, Jr..... 54
Homesteads for Returned Soldiers, Drainage and Irrigation of, E..... 2
How Are the Plans Progressing? E.... 45
How a County Engineer Builds Small Culverts and Bridges 37
How Various Cities Meet Repaving Costs 153

Illinois Highways, Grade Crossing Signs Required on 173
Illinois Roads, Force Account Work on, E. 84
Illinois Valley, Restoration and Extension of Water Transportation in, by W. L. Sackett 190
Imhoff Tank, Foaming, Prevention of, at Schnectady, N. Y., by Harrison P. Eddy 138
Improvements to Main Water Supply Lines of Bayonne, N. J., Special Features of, by Nicholas S. Hill, Jr..... 14
Increasing the Well Water Supply of Montgomery, Alabama, by A. O. Beauchemin 59
Influence of Engineers on Selection of Construction Equipment, E.....122
Intake, Water Works, Oshkosh, Wis...101
Interstate Motor Haulage, Dramatic Demonstration of, E..... 2
Irrigation Lines, the Use of Vitrified Clay Pipe for, by V. E. Pioliet..... 73
Irrigation Purposes, Using Los Angeles Aqueduct Water for, by C. W. Geiger 24
Irrigation Reservoir, Removing Silt from with Drag-Line Excavator 115
Irrigation Work of the U. S. Reclamation Service, Results of 75

Jarmin Gravel Loader, The.....119
Kentucky Rock Asphalt Roads, Procedure in the Construction and Maintenance of, by S. O. Le Sueur..... 49

Kerosene Torches in Removing Ice from Railway Tracks, Successful Use of. 40
Kirstin Method of Removing Stumps.. 41
Land Reclamation and Highway Development Must Go Together, by Franklin K. Lane 183
Light and Water Plants, the Division of Coal Consumed Between Units of, by W. G. Kirchoffer 28
Lincoln Highway Cut-Off Across Desert at Gold Hill, Utah, Construction Methods Employed in Building, by R. E. Dillree 195
Loader for Loose Materials, A Self-Propelling 216
Los Angeles Harbor, Sewage Collection and Disposal Proposed at, by W. T. Knowlton ... .130
Los Angeles Aqueduct Water, Use of for Irrigation Purposes, by C. W. Geiger 24
Lower the Cost of Living, E.....162

Macadam Surface Treatments Applied Primarily as Dust Layers, Preservative Effects of, by F. S. Krug.....147
Machinery in County Road Construction, The Use of, by C. B. Scott.....125
Machinery Plays Large Part in Chicago Water Pipe Extension Work, by R. S. Spalding 179
Masonry Surface Rubbing Machine, Motor Operated 145
Maintenance of Asphalt Pavements by the Cut and Replace Method, by James W. Routh 164
Massachusetts Municipalities, Increase in Water Consumption in, by Bertram Brewer 132
Mayor Davis of Cleveland Drafts $20,000,000 Public Works Construction Program in Preparing for Peace....168
Mechanical Water Filtration Plant at Oshkosh, Wis., New Design and Construction of, by T. B. Jorgensen..... 20
Mechanical Cleaning of Sewers at Goshen, Ind. 19
Methods for Repairing Bituminous Macadam and Bituminous Concrete Pavements, Relative Efficiency of, by George H. Biles 150
Military Highways, National, by Geo. C. Warren 6
Military Roads, American 10
Military Titles in Peace Times, E.....194
Miles Acid Process for Recovery of Sewage Grease with Special Reference to Sewage of New Haven, Conn., by C. E. A. Winslow 173
Money, Getting Accustomed to Large Sums of, E. 194
Motor Apparatus Operated by Bureau of Streets, Buffalo, N. Y., Data on Performance of, by William F. Schwartz.149
Motorcycles, Using in Municipal Service 38
Motor-Driven Pumps and Compressors, The Remote Control of, by F. M. Nourse 133
Motor Express, Rural, More Home Grown Food Via 38
Motor Flusher and Sprinkler for Jackson, Michigan 156
Motor Haulage, Interstate, Dramatic Demonstration of, E..... 2
Motor Operated Masonry Surface Rubbing Machine 145
Motor-Operated Surfacing Machine....118
Motor Street Sweeper in Lansing, Michigan, Performance of, by C. S. Wilcox.177
Motor Trucks Saved $15,000 for Contractor on Building Excavation..... 76
Motor Trucks, Device for Recording the Movements of 155
Motor Trucks and Trailers, A Side Dump Body for 116
Municipal Ownership of Gas Plant, Omana, Considering 79
Municipal and County Contracts, the Evils of Unbalanced Bids on..... 32
Municipal and County Engineering, E.. 1
McClintock Cube Pavement as Developed in Monroe County, New York, by J. Y. McClintock 6

"National" Matheson Joint Pipe, Installing 17,250 ft. of, Without One Fitting 27
Nitre Cake, Sulphuric Acid from..... 79
"Nothing Else Counts," E. 121

Okmulgee County, Okla., Warrenite Roads. 9
Omaha Considering Municipal Ownership of Gas Plant 79
One Extreme Almost as Bad as the Other, E. 46
Operations of the U. S. Housing Corporation, Extent of 176
Oshkosh, Wisconsin, Water Works, Construction Methods Employed in Building the New Intake and Remodeled Reservoirs of, by T. B. Jorgensen..101
Outfall Sewer of City of Los Angeles, New Features of 19
Ozone Method of Water Treatment, Recent Development in Equipment Used in, by Irwin D. Groak.....109

Panic, Perfectly Easy to Bring on, E..193
Pavement Base, Concreting, in Buffalo, N. Y., by Geo. F. Fisk.....170
Pavement Design and Construction, Standardization of, by Prevost Hubbard 181
Painting Steel Highway Bridges in Iowa, Cost of, by C. E. Smith..... 75
Pavements, Asphalt, Some Hints on the Construction and Maintenance of, by C. A. Mullen 9
Pavements, Block, The Choice of Fillers for, by John S. Crandell.....127
Pavement Behavior Under Constantly Increasing Traffic Requirements, Present Need of Correct Interpretation of, by Maurice B. Greenough..... 92
Pavement, Cleveland, Special Underdrainage Safeguards, by Fred R. Williams 123
Paving Construction, Distribution of Costs on, by Ray S. Blinn..... 96
Pavements, Creosoted Wood Block, Overcoming Heaving of.....126
Pavements, Hard Surface, Prevention of Longitudinal Cracks in, by Wm. C. Perkins 190
Pavements in Buffalo, Asphalt, Procedure in Maintenance of, by C. E. P. Babcock 148
Pavements, Maintenance of Asphalt by the Cut and Replace Method, by James W. Routh 164
Pavement, McClintock Cube, as developed in Monroe County, New York, by J. Y. McClinto k..... 6
Pavement, Reinforced Concrete, on the Baltimore Pike 11
Pavements, Stone Block, Details of Construction of, by Arthur H. Blanchard 3
Paving in the City of St. Paul, Minn., Force Account, Experiences in, by Oscar Claussen 52
Paving Seven Streets with Brick in Mt. Vernon, Ohio, Construction Plant and Methods Employed in, by Arthur A. Graham 8
Peace, Stimulate Local Authorities to Prepare for, E. 161
Performance of Fuel Oil Engines in Water Works Service, by S. N. Connally 113
Performance of a Motor Street Sweeper in Lansing, Michigan, by C. S. Wilcox 177
Performance of Motor Apparatus Operated by Bureau of Streets, Buffalo, N. Y., Data on, by William F. Schwartz 149
Performance of New Air-Lift Pumping Plant at Galesburg, Ill., by John Oliphant 57
Pipe Corrosion in Chicago Buildings, Investigation of, with Special Reference to Durability of Pipe Materials.208
Pipe Lines on Power Installations, Large Wood Stave 154
Plans and Specifications for Dual Connections 103
Plans, How Are They Progressing? E.. 45
Plant Operation, Public Utility, Practical Measures for Securing Greatest Economy in, by Charles Brosmann 29, 111
Policy and Procedure of U. S. Highways Council During the War..... 91
Portable Asphalt Plant, Successful Use of 79
Portable Corduroy Traction Drag-Line Excavator for General Use.....116
Power Installations, Large Wood Stave Pipe Lines on 154
Power Water Main Tapping Machine Successfully Employed in Chicago....179
Preparing for Peace, Cleveland Sets a Good Example to Other Cities in, E..161
Preservative Effects of Macadam Surface Treatments Applied as Dust Layers, by F. S. Krug 147
Pressure Pipe for Water Supply Lines, Reinforced Concrete, Recent Developments in, by Wallace R. Harris..... 58
Prevention of Imhoff Tank Foaming at Schenectady, N. Y., by Harrison P. Eddy 138
Procedure in the Use of Explosives on Road Construction, Recommended...187
Procedure in Maintenance of Asphalt Pavements in Buffalo, by C. E. P. Babcock 148
Production and Disposal of Municipal Refuse, Effect of War Conditions Upon, by Rudolph Hering.....146
Projector, A New Flood Lighting.....157
Promise and Its Fulfillment, and Another Promise 193
Proposed Sewerage Works for St. Augustine, Fla., Features of..... 17
Proposed Sewerage Works for St. Augustine, Fla., Features of..... 77
Public Improvements, Immediate Resumption of Recommended by War Industries Board, E. 193
Pumpage of Wasted Water in Chicago Consumes 100,000 Tons of Coal Annually 65
Pumps and Compressors, Motor-Driven, The Remote Control of, by F. M. Nourse 133
Pumping Equipment, Duplicate, Importance of 16
Pumping Plant, New Air-Lift at Galesburg, Ill., Performance of, by John Oliphant 57
Pumping Station and Water Purification Plant at Checotah, Okla., Design and Construction of, by V. V. Long.. 70
Pumping Stations, Small Steam Operated, Conversion Into Electrically Operated, Automatically Controlled, by John W. Toyne 64
Public Utility Plant Operation, Practical Measures for Securing Greatest Economy in, by Charles Brossmann.. ..... 29, 111, 206

Quantities and Cost of Cement Used in the California State Highways, by A. B. Fletcher 13

Reclamation Service, U. S., Results of the Irrigation Work of..... 75
Recording the Movements of Motor Trucks, Device for 155
Refuse, Municipal, Effect of War Conditions Upon Production and Disposal of, by Rudolph Hering.....146
Refuse Collection and the Present Demand for Garbage, by Samuel A. Greeley 65
Regulations Pertaining to Pipes, Tanks and Accessories Issued by War Industries Board 169
Reinforced Concrete Pressure Pipe for Water Supply Lines, Recent Developments in, by Wallace R. Harris..... 58
Reinforced Concrete Ships as a Possible Solution of Our Shipping Problem, by Earle P. Press 80
Remote Control of Pumps, An Enclosed Float Switch for 40
Remote Control of Motor-Driven Pumps and Compressors, by F. M. Nourse..133
Removing Silt from Irrigation Reservoir with Drag-Line Excavator 115
Removing Stumps, Kirstin Method of.. 41
Repairing Asphalt Streets, Using an All Smokeless Outfit in 41
Repairing Bituminous Macadam and Bituminous Concrete Pavements, Relative Efficiency of Methods for, by George H. Biles.....150
Repaving Detroit Avenue, Lakewood, Ohio, with Granite and Wood Block, Construction Procedure in 201
Repaving Costs, How Various Cities Meet 153
Report 1919 Road and Street Projects Now or Never, E. 161
Reservoir of East St. Louis and Interurban Water Co., Concreting..... 78

Reservoirs, Water Works, Remodeled, Oshkosh, Wis. 101
Restoration and Extension of Water Transportation in the Illinois Valley, by W. L. Sackett 190
Riser Pipes to Elevated Water Supply Tanks, How to Prevent Freezing of..213
Roads, American Military 10
Roads, Asphalt, Cook County, Ill., by Walter H. Flood 124
Roads a National Necessity After the War, by G. A. Kissel 221
Road, Concrete, How to Get the Best Surface on 47
Roads, Concrete, Some Design and Construction Features of, by A. N. Johnson 96
Road Construction, County, The Use of Modern Machinery in, by C. B. Scott.125
Road Construction, Permanent, War-Time Financing of 39
Road Construction, Recommended Procedure in the Use of Explosives on...187
Road Construction, Unwisdom of Restricting Well Illustrated in Pennsylvania E. 121
Road Contracts, Effect of Retroactive Freight Rate Increase on, E..... 2
Roads, Endorsement of in Illinois and Pennsylvania, E. 194
Road Finisher Increases Density of Concrete 101
Roads, French, Maintenance of..... 33
Road Grading, Heavy, Successful Application of Tractor on....119
Roads in Pennsylvania, Organization, Methods and Equipment Employed in Removing Snow from, by Geo. H. Biles 216
Road Improvements in Arkansas in 1918, Proposed 38
Road: Its Paramount Importance as Viewed by a Briton, by J. H. A. MacDonald 218
Roads, Kentucky Rock Asphalt, Procedure in the Construction and Maintenance of, by S. O. Le Sueur..... 49
Road Maintenance Work, Procedure in Use of Explosives on, with Specific Examples, by W. H. Dawson..... 12
Road, Michigan, Low Hauling Cost and No Waste Material on Construction of 99
Road Planes, A Line of Single and Double 157
Roads and Road Structures, Unusual Types, Designed for Conditions in New Mexico, by James A. French..... 7
Roads, Sand-Clay, Maintaining in North Carolina 49
Road Subgrade and Its Relation to Road Drainage, Action of Water on, by J. L. Harrison 50
Rural Motor Express, More Home Grown Food Via 38

Safety Islands, Safer, Will Result from Improved Design, by G. S. Eaton.... 43
St. Augustine, Florida, Features of Proposed Sewerage Works for..... 77
Sand-Clay Roads in North Carolina, Maintaining 49
Sand Tester, Universal 39
Sanitary Precautions Taken Prior to Opening Wilson Avenue Crib and Tunnel of Chicago Water Works, by John Dill Robertson 108
Semi-Trailer Solves Transportation Problem for Road Commissioners....117
Senator Chamberlain Encourages Workers for Real Highway Transportation to Continue Their Efforts....168
Sewage Collection and Disposal Proposed at Los Angeles Harbor, by W. T. Knowlton 130
Sewage Disposal and Water Supply Plants of Penal and Charitable Institutions of Wisconsin, by W. G. Kirchoffer 178
Sewage Treatment Plant at Sedalia, Mo., Design and Construction of New, by Robert E. McDonnell 71
Sewage Treatment Policies as Influenced by War-Time Conditions, by Geo. W. Fuller 106
Sewage Pumping Stations at West Haven, Conn., Automatic, Design and Operation of, by Clyde Potts.....199
Sewer Connections and House Drains, Specifications for Testing..... 18
Sewer, New Outfall of City of Los Angeles, Features of 19
Sewers at Goshen, Ind., Successful Mechanical Cleaning of 19
Sewers, Separate or Combined, Conditions Calling for....131
Sewerage System and Sewage Treatment Plant at Mt. Horeb, Wis., by W. G. Kirchoffer 61
Sewage Treatment Plant and Sewerage System, Mt. Horeb, Wis., by W. G. Kirchoffer 61
Sewerage Works for St. Augustine, Florida, Proposed, Features of..... 77
Sewerage Works for St. Augustine, Fla., Proposed, Features of 17
Shipping Problem, Reinforced Concrete Ships as a Possible Solution of, by Earle P. Press 80
Single and Double Road Planes, A Line of 157
Signals, Highway Danger, Modern, by A. G. Shaver 42
Siphon, Double Iron, County Commissioners Replace Wooden Flume Across Roadway with 215
Slow Sand Water Filtration Plant at Auburn, New York, New, Some Design and Construction Features of, by J. Walter Ackerman 139
Snow Removal from Highways.....185
Snow Removal on Trunk Line Highways, by Chas. J. Bennett.....215
Snow Removal from Main Roads in Pennsylvania, Organization, Methods and Equipment Employed in, by Geo. H. Biles 216
South America, Republic of Uruguay, Construction of Water and Sewerage Systems for the Cities of Salto, Paysandu and Mercedes, by G. E. Hines.. 85
Specifications for Testing Sewer Connections and House Drains 18
Sprinkling Filter System and Auxiliaries vs. the Activated Sludge Process, by T. Chalkley Hatton 67
Sprinkling Filter System and Auxiliaries vs. the Activated Sludge Process, by T. Chalkley Hatton 116
Standardization of Pavement Design and Construction, by Prevost Hubbard....181
Steel and Concrete Bridge, Wyandotte County, Kansas, Builds Large Double-Deck, by F. W. Epps 77
Steel Highway Bridges in Iowa, Cost of Painting, by C. E. Smith..... 75
Stimulate Local Authorities to Prepare for Peace, E 161
Stone Block Pavements, Details of Construction of, by Arthur H. Blanchard...3
Stone Spreader A Money Saver.....115
Stream Pollution—A Problem in Economics, The Control of, by Earle B. Phelps 22
Street and Highway Bridge Policy Promulgated by the United States Highways Council 176
Street Cleaning in Pittsburgh, Pa.....205
Supreme Federal Highway Commission, For A, E..... 83
Sulphuric Acid from Nitre Cake..... 79
Surface, Concrete Road, How to Get the Best, by A. H. Hunter..... 47
Surfacing Machine, Motor-Operated 118

Tapping Machine, Power Water Main, Successfully Employed in Chicago....179
Testing a Well Under Difficulties by Unusual Methods, by W. G. Kirchoffer 114
Testing Sewer Connections and House Drains, Specifications for 18
The War and Money, E.....122
Traction Dragline Excavator, Portable Corduroy, for General Use.....116
Tractor on Heavy Road Grading, Successful Application of 119
Trailers, New Line of 192
Transportation Facilities, Railroad and Interurban, Cleveland Considers Broad Reorganization of 221
Transportation Problem for Road Commissioners, Semi-Trailer Solves.....117
Trench Backfiller of Drag-Line Type...155
Trenching Machinery by City Water Works Departments, Reports Indicate Increasing Use of 154
Trenching Machine, Austin, On Rush Job 118
Truck, Car and Stump Puller 117
Turbo-Gear and Its Application to Turbine-Driven Centrifugal Pumps.....157
Typhoid Outbreak, Water-Borne, Due to Neglect of Chlorinator 141

Underdrainage, Special, Safeguards New Cleveland Pavement, by Fred R. Williams 123
Unbalanced Bids on Municipal and County Contracts, the Evils of..... 32
Universal Sand Tester 39
United States Food Administration, Garbage Utilization Work of, by F. C. Bammar 146
United States Highways Council, Street and Highway Bridge Policy Promulgated by 176
U. S. Highways Council, Policy and Procedure of During the War..... 91
U. S. Housing Corporation, Extent of the Operations of 176
Unloader, Continuous Operating Car...159
Unusual Types of Roads and Road Structures, Designed for Conditions in New Mexico, by James A. French..... 7
Unwisdom of Restricting Road Construction Well Illustrated in Pennsylvania, E 121

Valuation Procedure, Influence of Recent Events on 210
Vitrified Clay Pipe for Irrigation Lines, the Use of, by V. E. Piollet..... 73

Wages Paid by American Water Works, Trend of, by Leonard Metcalf.....197
Water and Sewer Connections Laying in the Same Trench at Waltham, Mass.. 39
Water and Sewerage Systems for the Cities of Salto, Paysandu and Mercedes, Republic of Uruguay, South America, Construction of, by G. E. Hines 85
Water-Borne Typhoid Outbreak Due to Neglect of Chlorinator 141
Water Consumption in Certain Massachusetts Municipalities, Increase in, by Bertram Brewer 132
Water Filtration Plant at Auburn, New York, New Slow Sand, Some Design and Construction Features of the, by J. Walter Ackerman 139
Water Filtration Plant, New Mechanical, at Oshkosh, Wis., Design and Construction of, by J. Walter Jorgensen 20
Water Main Construction, City of Detroit Offsets Labor Shortage by Using Machinery for 104
Water Mains, Fire Hydrants and Valves, Protection Against Freezing in Winnipeg, Man., by Thomas H. Hooper.....202
Water on Road Sudgrade, Action of and its Relation to Road Drainage, by J. L. Harrison 50
Water Pipe Extension Work, Chicago, Machinery Plays Large Part in, by R. S. Spalding 179
Water Purification Plant and Pumping Station at Checotah, New, Design and Construction of, by V. V. Long..... 70
